

Breeze Lux Ceiling Fan Light

SPECIFICATION SHEET

DESCRIPTION

The Breeze Lux Ceiling Fan Light by Vakkerlight combines modern aesthetics with practical functionality. Featuring elegantly curved ABS resin blades, it delivers powerful yet quiet airflow, making it perfect for bedrooms, living rooms, and dining areas. The brushed gold metal frame adds a touch of luxury, while the integrated LED light provides soft, energy-efficient illumination. Designed for both style and comfort, this ceiling fan light enhances any space with its sleek form and versatile performance.

This fan light has a variable frequency motor, allowing it to rotate in reverse to ventilate spaces effectively while maintaining a quiet operation. Its energy-efficient design ensures optimal airflow, making it a practical addition to modern interiors.
