

Kasa Pendant Lamp

info@noolight.com
noolight.com

SPECIFICATION SHEET

DESCRIPTION

We applied knowledge about the wood furniture industry to produce the Kasa lamp. We use 50mm thick precious wood plates and combined. The lampshades are engraved by CNC machines and hand sanded. The thinnest part of the lampshade is only 4mm with a smooth edge. The fine details make this lamp look like an art piece.

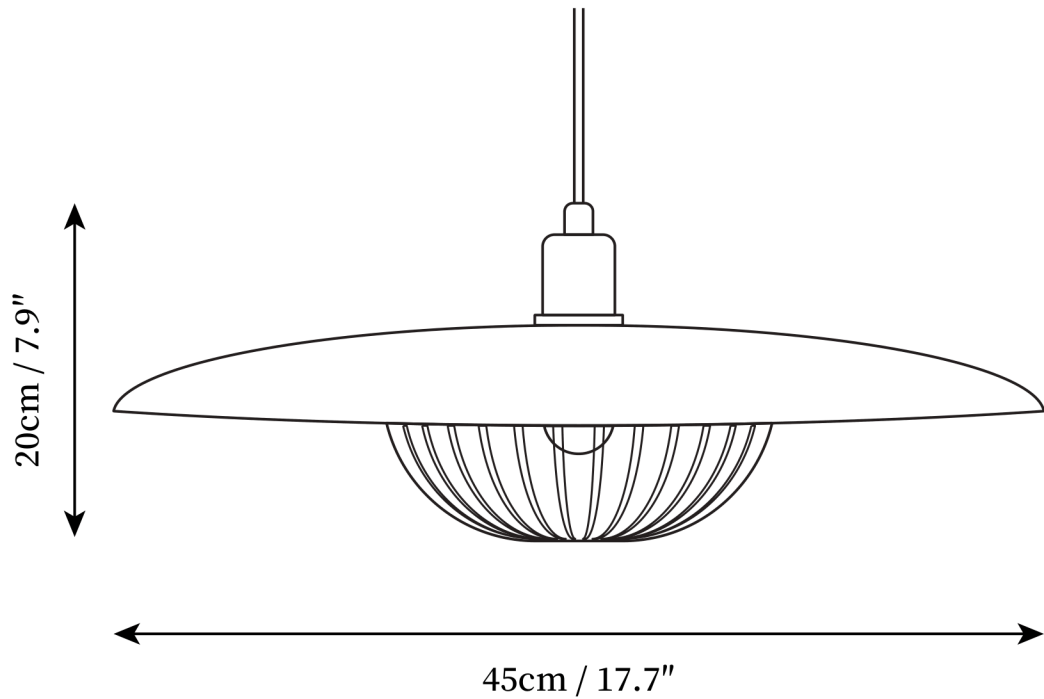

In 60 minutes, four pieces of solid wood Kasa lampshades can be produced by a 5-axis CNC machine. We can set up more machines to increase production numbers. Moreover, by choosing an LED light source and controlling the gradual change of the thickness of the wood lampshade, we made this art piece into a stable product to sell on the market.

SPECIFICATION DETAILS

*For custom options, consult factory for details

Fixture Dimmensions	D 13.8" x H 7.9"
Light source	E27
Wattage	40W
Voltage	AC 110-240V
Color Temperature	Based on the purchase of light bulbs
CRI(Ra)	80CRI
Mounting	Ceiling
Driver Required	NO
Optional Color Temps	Buy bulbs as needed
LED Rated Life	Based on bulb life (we do not supply bulbs)
Dimming	Dimming is not supported
Finishes	Walnut wood, Ash wood, Copper plated
Shade Details	Walnut wood, Ash wood, Copper plated
Material	Metal, Iron, Wood
Wire Length	59"
Wire Type	Black Coaxial Wire
Warranty	2 Yaers
