

Kozo Paper Tower Swag Pendant

SPECIFICATION SHEET

DESCRIPTION

The same stacked Kozo mulberry paper tower form — now as a plug-in swag pendant that installs in any room in minutes, no electrician required. A 450 cm matte black cord (177 inches) routes from the plug to a wall-mounted hook, then drops to the pendant below. The generous cord length lets you position the lamp exactly where you need it: above a dining table, over a reading chair, in a stairwell corner, or anywhere else a ceiling outlet doesn’t exist. Two wall hooks are included. Two E26/E27 bulbs for even, warm ambient light through the full height of the shade.
