DESCRIPTION

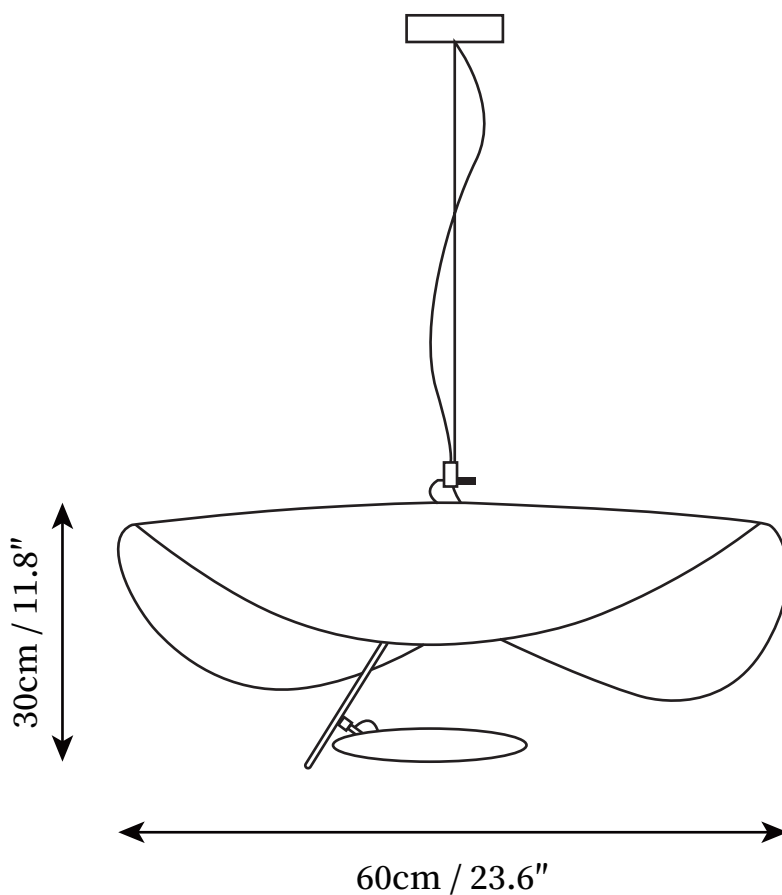

The Lederam Manta Wall / Ceiling features a gracefully curving shade that embodies fluidity and the accuracy of the motion required to draw a line, with a disc shade extending out with a metal rod. Finished in White with the option of a White, Satin, or Gold rod. May be ceiling or wall mounted.

Born in 1950, Enzo Catellani lives in Bergamo. During the 1980s, he began the limited-series production of lamps made to his designs, for sale through his own shop. In 1989, the lamps attracted the attention of Düsseldorf-based distributors Renate and Peter Meese, who presented them at the Ambiente expo in Frankfurt, where they were rapturously received.
