

Vertical Orb Timber Pendant Lamp

DESCRIPTION

The Vertical Orb Timber Pendant is a sophisticated lighting piece that combines the earthy robustness of wood with the delicate simplicity of glass. Designed to evoke the gentle balance of nature, this pendant features a slender wooden column from which pristine glass spheres are suspended at intervals, like dewdrops clinging to a branch. The wood, with its natural finish and visible grain, provides an organic touch, while the glass orbs emit a soft, ambient light that brings a sense of calm to any space.
