

Reverse Table Lamp

Inspiration

MENU presents Reverse Lamp, a new lighting solution that underpins the ever-present beauty of natural materials. In his search for simple and clever solutions in any given space, Danish designer Aleksandar Lazic looked to Italian marble tables from the 1970s when creating the Reverse Lamp. Inspired by the play on structure created by geometric constraints, the conical travertine base and curved, bronzed aluminium shade define the lamp's perfectly balanced expression.

Finish Palette

Finishes: Black

Lampshade: Metal

Shade Colours: White

Customization available upon request.

Made and assembled in China.

Specifications

DIMENSIONS

9.5" D x 11.8" H / 24cm D x 30cm H

Light Source: G9(included)

Power: 5 Watt 3000K

CRI: 80+

Lumens: 550 Lumens est.

LED Drivers: No, (No need to connect the driver)

Dimming: Not supported Dimming

Cable type

Provide Cable with Switch Plug Length 59" / 150cm.
(additional lengths are available upon request)

Warranty: 3 years

Environment: Indoor

Weight: 6.6 lbs/ 3 kg

Standard Lead time: 4-7 weeks

MATERIALS

Travertine stone, Metal, Steel

Voltage: AC 120-240V

Certification: CCC, CE, UL, SAA, KC

UL, cUL (120V), CE, CB (240V) Certified
