

Revolve Table Lamp

SPECIFICATION SHEET

DESCRIPTION

Revolve Table Lamp throw away culture we live in today, with contemporary lighting built to last. Each piece will age and mature with you; the brass will soften, and darken in color. Any knocks and scratches will only add to its patina and story. Revolve Table Lamp is a striking light offering a warm glow to any surface through its opal diffuser. Light escapes through the top brass feature to highlight the sleek metal shade.

SPECIFICATION DETAILS
