SPECIFICATION SHEET

DESCRIPTION

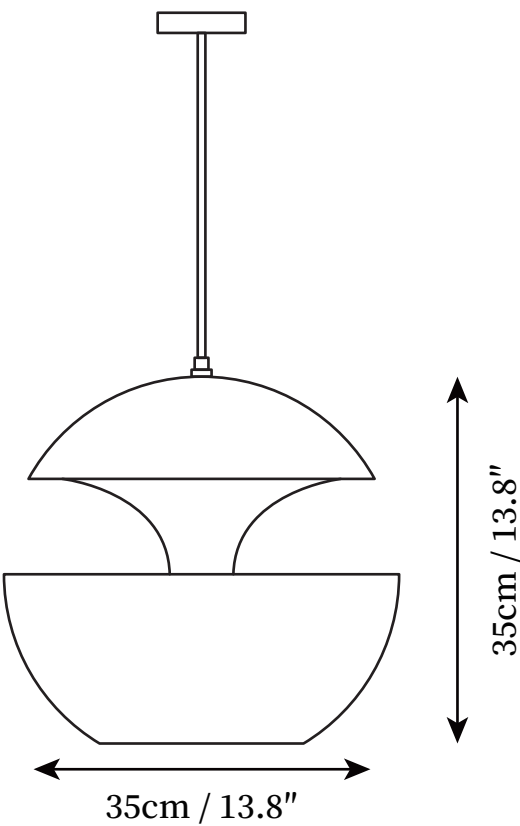

The Sun pendant luminaire was designed 1970 and inspired by the sunsets over the Garonne River in southwestern France. The spherical pendant luminaire has an interesting light emission that provides direct and indirect lighting at the same time. The pendant luminaire can thus be placed above the dining table or create cosy lighting above the coffee table. The Here Comes The Sun pendant luminaire is made of aluminium in various colour combinations and sizes, which can also be easily combined with each other.
