

Anulo Wall Sconce

SPECIFICATION SHEET

DESCRIPTION

The Vakkerlight Anulo Wall Sconce is a refined fusion of elemental form and symbolic detail. Carved from warm travertine stone, its softly curved body houses a downward glow that bathes the wall in subtle light. A suspended wooden ring, hung by natural rope, adds an unexpected sculptural accent—reminiscent of ancient architectural motifs and ceremonial objects. Anulo is both a lighting fixture and a statement piece, ideal for hallways, entryways, or serene interior corners. A testament to Vakkerlight’s philosophy of blending heritage materials with artistic modernity.
