

Calla Ribbed Sconce

SPECIFICATION SHEET

DESCRIPTION

Experience the captivating interplay of light and texture with the Calla Ribbed Sconce, an architectural and elegant wall light from Noolight. This striking fixture features two parallel, cylindrical shades, each meticulously crafted from individual, translucent rings of genuine alabaster. The stacked design allows light to gracefully filter through, creating a soft, rhythmic glow that highlights the stone's natural beauty. A sleek, antique brass frame suspends these luminous columns, providing a sophisticated contrast and a touch of refined industrial charm. Named 'Calla' - meaning 'beautiful' - to reflect its sculptural form and radiant quality, the Calla Ribbed Sconce by Noolight is perfect for adding ambient illumination and a distinctive, artistic statement to hallways, living areas, or sophisticated bathrooms.
