ABOUT ICI

The Cristallo Wall Lamp by Noolight showcases a striking asymmetrical form, blending natural artistry with contemporary design. Crafted from Bulgari purple iron marble, each piece reveals unique purple-brown veining across a milky white stone base, like a painting shaped by nature. A central circular light source softly illuminates the surface, casting warm, layered shadows. Both functional and sculptural, Cristallo is ideal for entryways, hallways, bedrooms, or artful interiors seeking texture and elegance.
