

Mocenigo Azure Chandelier

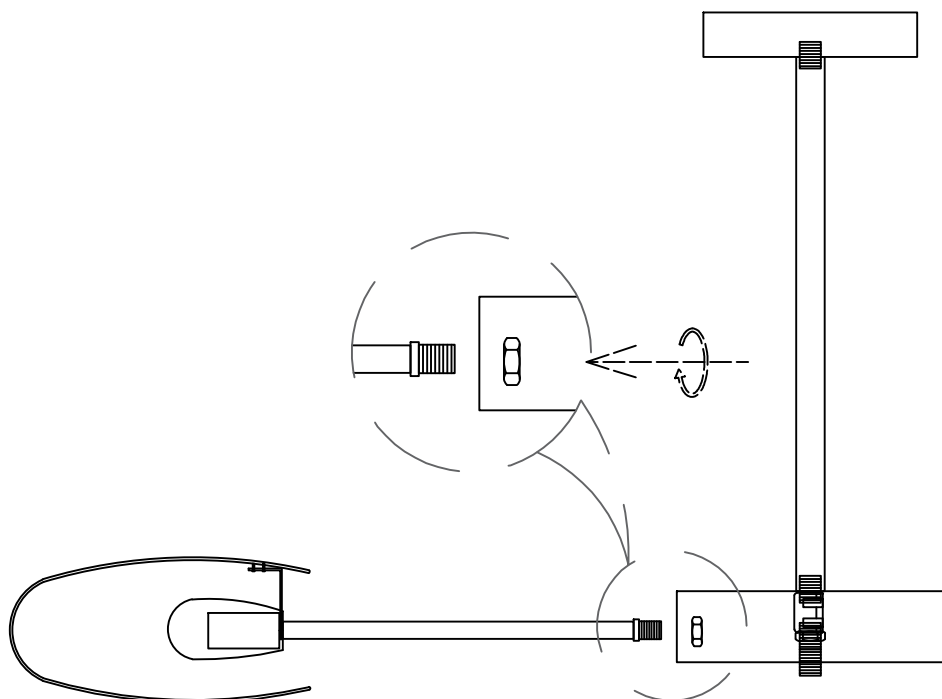

1

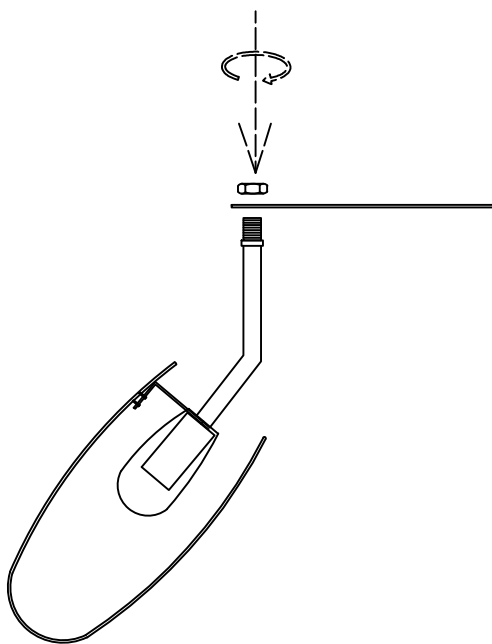

Assemble this part of the lamp body first

2

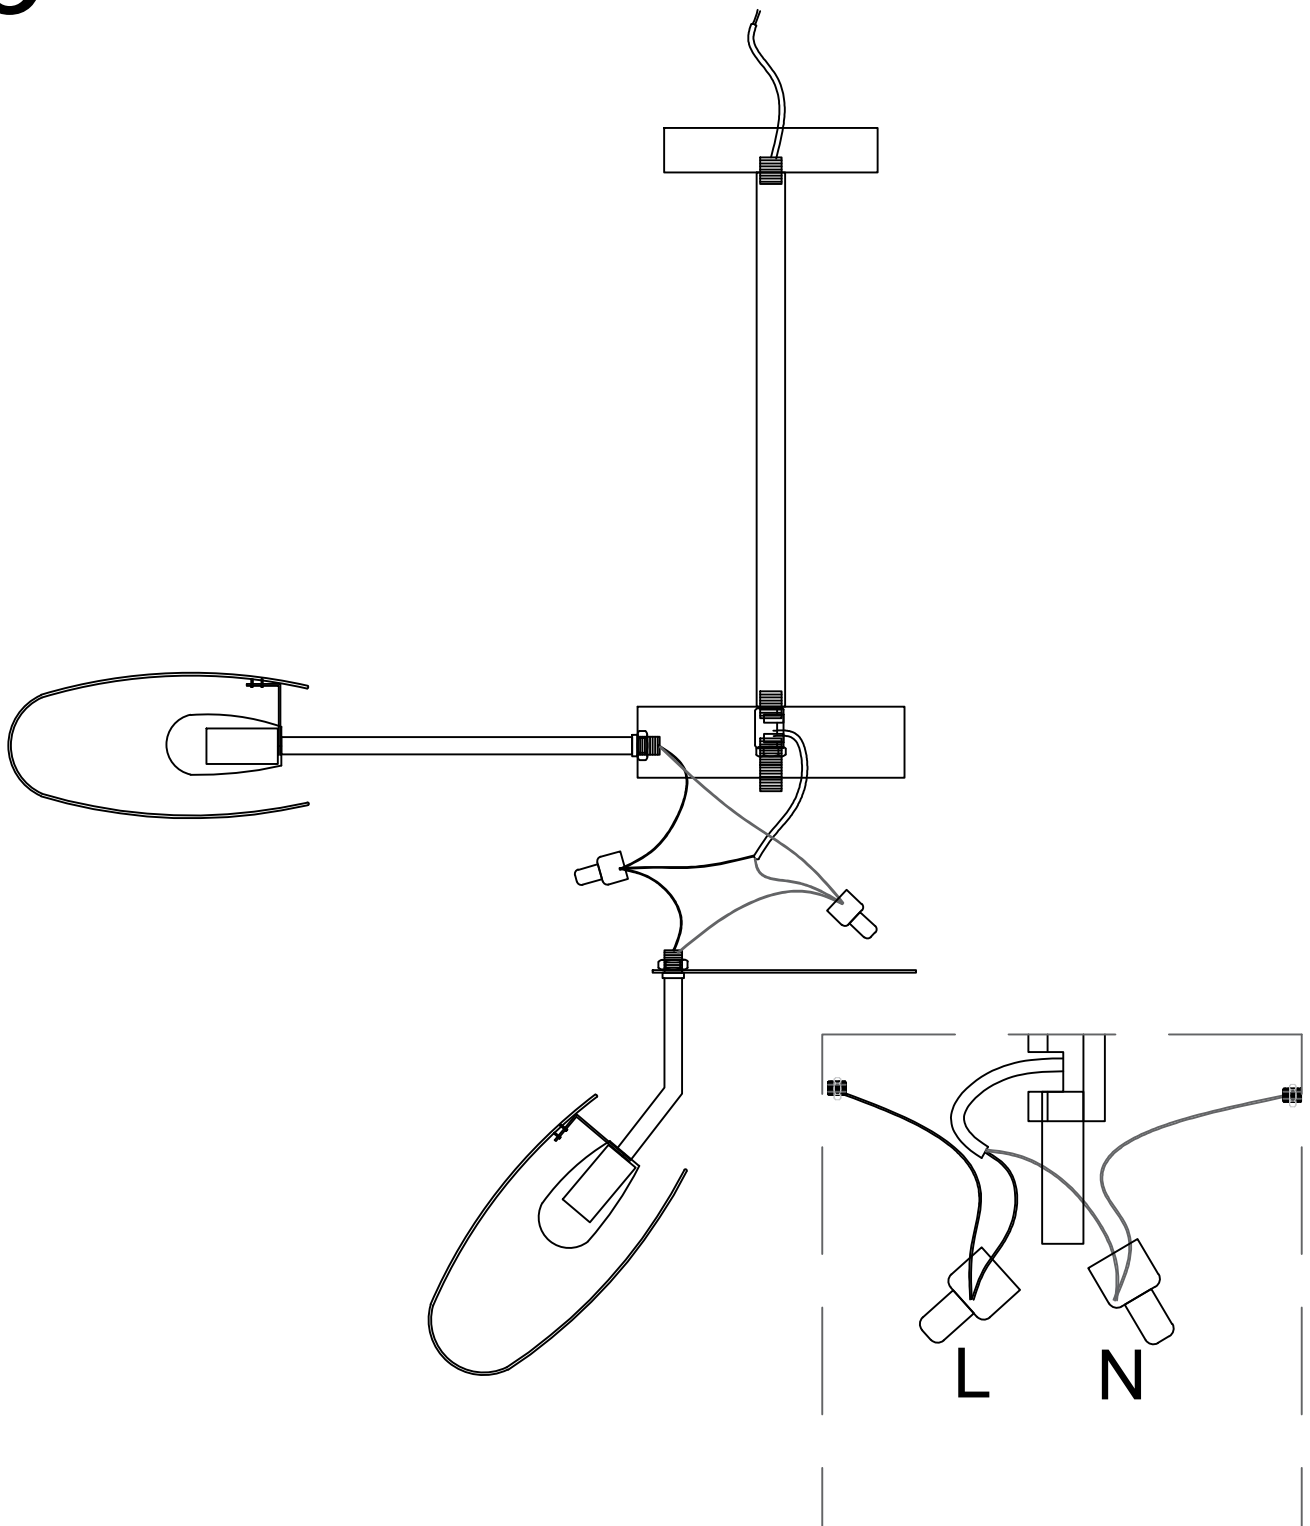

Attach the lamp arm to the lamp body with a nut

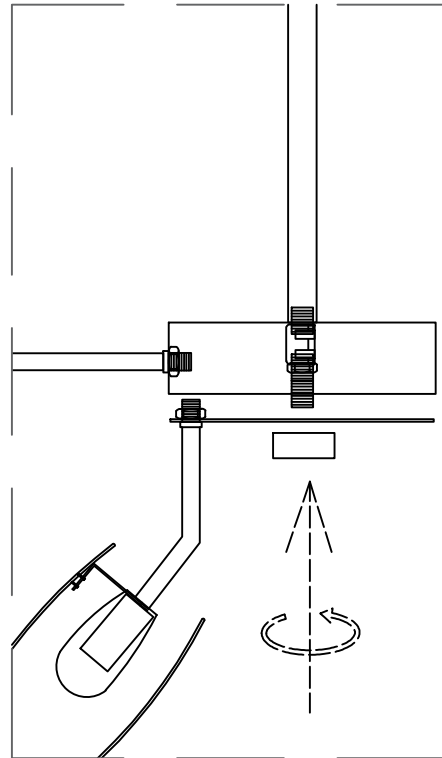

The lower part of the lamp arm is locked together with a nut and disc

3

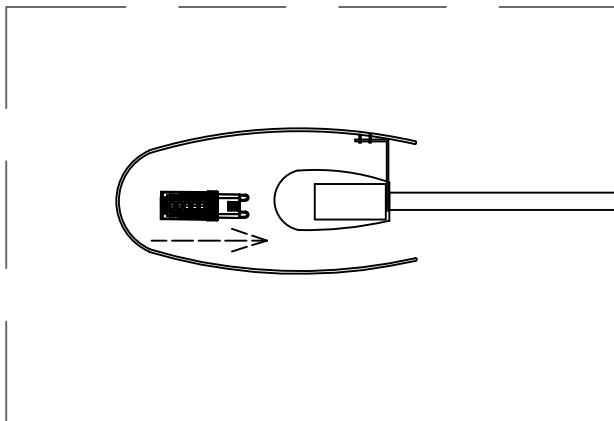

The main line is connected to the wires of the same color

4

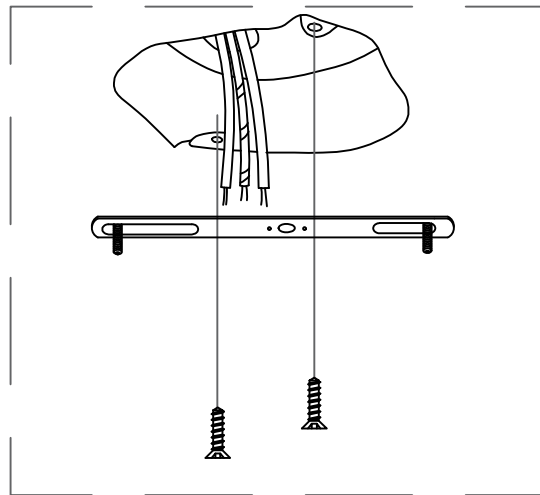

After the wires are connected, the upper and lower parts of the lamp body are installed together

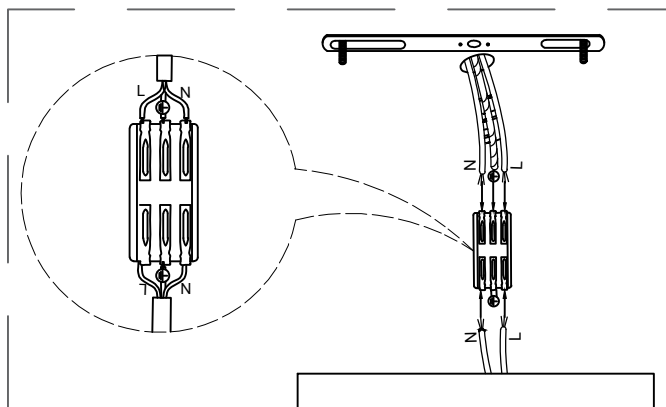

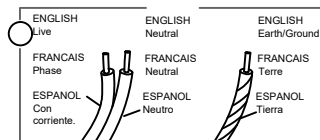

Installing light source

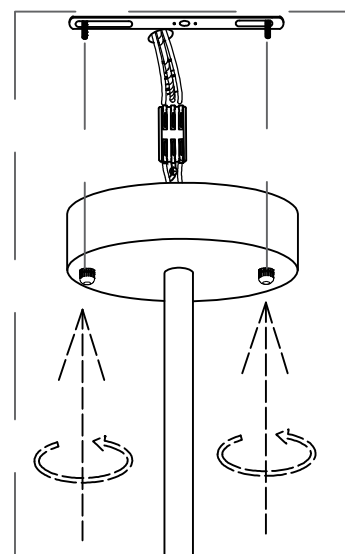

5

Fasten the hanging board to the ceiling with screws

The wires in the home are connected to the wires in the lamps through the wire terminals

Use hand-made nuts to fix the lamp body on the hanging board
