

Aperture Ceiling Lamp

SPECIFICATION SHEET

DESCRIPTION

Add a touch of enchantment to your home with the Aperture Ceiling Lamp. The soft, sunset hues will create a poetic and romantic ambiance, transforming your living space into a serene haven. Made with high-quality Travertine stone, this lamp will capture every moment in its beautiful light, elevating your home décor.

Yellow Travertine: It is formed in the natural environment through complex physical and chemical changes, coupled with the evolution of geological movements. It is a masterpiece of history that belongs to nature and is not subject to human control.
