

Arbor Nest Pendant Lamp

SPECIFICATION SHEET

DESCRIPTION

The Arbor Nest Pendant Lamp is a harmonious blend of rugged earth and coastal calm. Shaped like a softened dome, the shade is crafted from naturally textured travertine stone, exuding grounded elegance. Its base is wrapped in handwoven natural fiber, reminiscent of seagrass or rattan, adding a tactile warmth and artisanal character to the design. Topped with a subtle walnut wood detail, this pendant captures the balance between the raw and the refined. Ideal for bohemian, Mediterranean, or Japandi-inspired interiors, the Arbor Nest Pendant brings a cozy, organic touch to dining spaces, reading nooks, or restful retreats.
