SPECIFICATION SHEET

DESCRIPTION

Blending refined craftsmanship with organic charm, the Vakkerlight Arcello Pendant Light is a sculptural interplay of natural materials and elegant form. The arched oak wood frame cradles a hand-carved travertine stone shade, forming a lantern-like silhouette with a contemporary twist. A gently twisted cord adds a playful detail, enhancing the pendant's artisanal appeal. Perfect for kitchen islands, dining areas, or reading corners, Arcello casts a soft downward glow while making a striking visual statement. A testament to Vakkerlight's dedication to minimal design rooted in nature.
