

Arvilo Ceiling Lamp

DESCRIPTION

The Arvilo Ceiling Lamp by Vakkerlight pairs volcanic texture with warm, organic refinement. Its black stone shade features a naturally cratered surface, giving it a rugged, sculptural appeal, while the wooden mount above adds contrast and softness. The focused downward glow highlights the stone's raw character, making Arvilo an ideal choice for hallways, entryways, kitchens, or intimate modern spaces. With its compact form and artful material combination, this lamp brings a bold yet refined presence to any interior.
