SPECIFICATION SHEET

DESCRIPTION

The Balance Arc Wall Sconce by Vakkerlight is a sculptural statement of harmony and contrast. Designed with a semi-circular travertine stone backplate and a warm wooden bowl encasing a soft, glowing bulb, this piece balances natural texture with minimalist form. The gentle arc of the stone juxtaposed with the rounded wood and glass creates a visual rhythm that evokes calm and balance — like a modern architectural nod to celestial bodies. Ideal for bedrooms, corridors, or refined living spaces, this wall sconce blends functional lighting with timeless artistic appeal.
