

Black Travertine Duo Wall Light

SPECIFICATION SHEET

DESCRIPTION

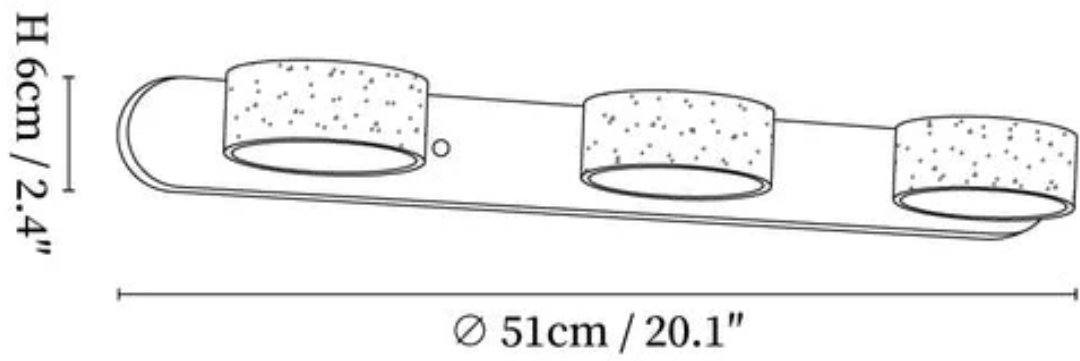

The Black Travertine Duo Wall Light merges natural stone elegance with contemporary design principles. Constructed from premium black travertine and refined wood elements, this architectural fixture delivers a nuanced, diffused illumination that establishes a serene atmosphere throughout residential spaces. The dual-light configuration balances practical brightness with aesthetic refinement, making it particularly suited for master bedrooms, transitional corridors, and sophisticated living environments. Its composition of tactile natural materials and restrained geometric form introduces organic sophistication to interior schemes, transforming walls into focal points of understated luxury and refined taste.
