

Bud Travertine Pendant Lamp

SPECIFICATION SHEET

DESCRIPTION

Delicate yet grounded, the Noolight Bud Travertine Pendant draws inspiration from a flower bud just before bloom - a moment of quiet tension and natural grace. Its travertine dome cradles a rounded wooden core, resembling a petal gently protecting its heart. The soft, ambient glow that emerges evokes the first light of day filtering through layers of stone and wood. This pendant blends organic materiality with sculptural elegance, making it an artful centerpiece for dining spaces, reading corners, or minimalist interiors. Rooted in nature, refined by design - Bud is Noolight's ode to growth, beauty, and the stillness of becoming.
