

Canyon Travertine Wall Sconce

SPECIFICATION SHEET

DESCRIPTION

The Vakkerlight Canyon Glow Wall Sconce channels the quiet majesty of natural rock formations with a modern, architectural edge. Carved from solid travertine stone, its tiered interior mimics the layered walls of a canyon, where warm light seeps through like sunlight at dusk. The linear design and textured finish make it a bold yet calming presence in hallways, living rooms, or contemporary retreats. With its interplay of depth, shadow, and golden glow, Canyon Glow is more than a light—it's a sculptural ode to nature’s geometry, crafted to elevate your space with timeless elegance.
