

Carra Glow Block Wall Light

SPECIFICATION SHEET

DESCRIPTION

The Carra Glow Block Wall Light by Vakkerlight showcases the raw beauty of natural stone through a bold, architectural form. Carved from richly textured travertine, its solid rectangular body is softly illuminated from within, casting a warm, diffused glow through recessed openings at the top and bottom. The porous surface adds depth and character, enhancing the interplay of light and material. Minimal yet expressive, this piece brings a grounded, sculptural elegance to modern interiors and ambient wall lighting.
