

# Cylinder Wood Bead Pendant Light

---

SPECIFICATION SHEET

DESCRIPTION

This pendant light features a cylindrical travertine shade with natural porous textures, topped with a smooth wooden bead. Suspended by a twisted black cord, when lit, it casts a warm, focused glow. Blending the earthy elegance of travertine with the cozy touch of wood, it adds a unique, minimalist - yet - organic charm to kitchen islands, dining areas, or small nooks, merging natural materials with understated design.
