

Double Globe Travertine Wall Sconce

SPECIFICATION SHEET

DESCRIPTION

This wall sconce features two glowing, spherical glass shades stacked vertically, held together by a sleek metal band. They're mounted on a travertine backplate with natural, textured details. When lit, the globes emit a soft, warm radiance, blending the smoothness of glass with the earthy charm of travertine. It adds a whimsical yet elegant touch to hallways, bedside walls, or living spaces, merging modern design with natural material allure....
