

Driftform Travertine Wall Sconce

SPECIFICATION SHEET

DESCRIPTION

The Driftform Travertine Wall Sconce by Vakkerlight combines sculptural artistry with gentle illumination. Featuring a travertine-textured arm that flows organically in an asymmetric shape, it captures the essence of natural movement. The soft opal glass globe provides a soothing ambient light, perfectly complemented by a warm-toned backplate. This expert-designed sconce enhances modern interiors that value organic forms and textured materials, offering a subtle yet impactful lighting solution.
