

Eclipse Travertine Table Lamp

SPECIFICATION SHEET

DESCRIPTION

Eclipse is built from solid silver-grey travertine cut into two interlocking shapes — an arched cylinder set against a capsule-shaped backplate. A concealed light source between them washes the inner curve in warm amber, turning the lamp into a glowing silhouette. Just 9 cm (3.5") deep, so it sits flat against walls and shelves like a piece of sculpture.

Compact at 19.8 × 35 cm (7.8" × 13.8") — small enough for a nightstand or floating shelf, sculptural enough to anchor a console or mantel. Solid stone gives it real weight; the cool grey tones with warm-glow interior pair beautifully with brushed metal, dark wood, and walnut interiors.

SPECIFICATION DETAILS

*For custom options, consult factory for details

SKU	VKT9-2654-04
Fixture Dimensions	Ø 7.8" × H13.8"
Light source	E26 or E27 (bulb not included)
Wattage	MAX 40W incandescent bulb or LED equivalent.
Voltage	AC 110-240V
Dimming	Compatible with dimmable bulbs (bulb not included)
Control method	In line ON / OFF switch.
Finishes	Silver
Shade Details	Grey travertine
Material	Solid natural travertine
Cord Length	Supplied with switched plug cord, length ~59" (150cm).
Warranty	2 Years
Certification	Compatible with North America, Saudi Arabia, Europe, Australia Certification
