

Eloen Travertine Wall Light

SPECIFICATION SHEET

DESCRIPTION

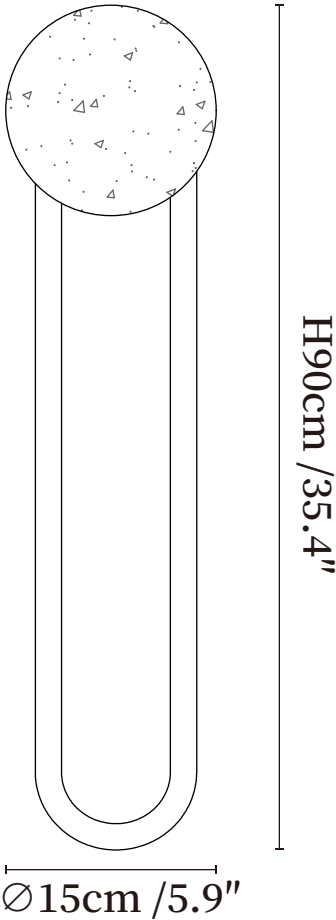

The Eloeen Travertine Wall Light by Vakkerlight is a stunning expression of modern minimalism infused with organic warmth. Its elegant looped LED frame emits a soft, continuous glow, beautifully anchored by a central disc of natural travertine stone. The juxtaposition of geometric precision and earthy texture creates a visual harmony that feels both futuristic and grounded. Whether installed vertically or horizontally, Eloeen serves as a sculptural lighting statement—perfect for hallways, living areas, or as a bedside feature in a contemporary space.
