

Event Horizon Wall Sconce

SPECIFICATION SHEET

DESCRIPTION

Dive into the captivating depths of the cosmos with the Vakkerlight Event Horizon Wall Sconce. Crafted from exquisite black hole stone, this unique fixture presents a textured, dark circular plate, embodying the mysterious allure of a distant celestial body. Emerging from its embrace is a perfectly spherical light source, reminiscent of a star peeking from beyond the event horizon, casting a warm, ethereal glow. The raw, organic texture of the black hole stone, combined with its profound dark hue, makes this Vakkerlight piece a true statement of modern artistry. It’s an ideal choice for those seeking to infuse their interiors with a touch of cosmic wonder and sophisticated, ambient illumination.
