

Forma Terra Trio Pendant Lamp

SPECIFICATION SHEET

DESCRIPTION

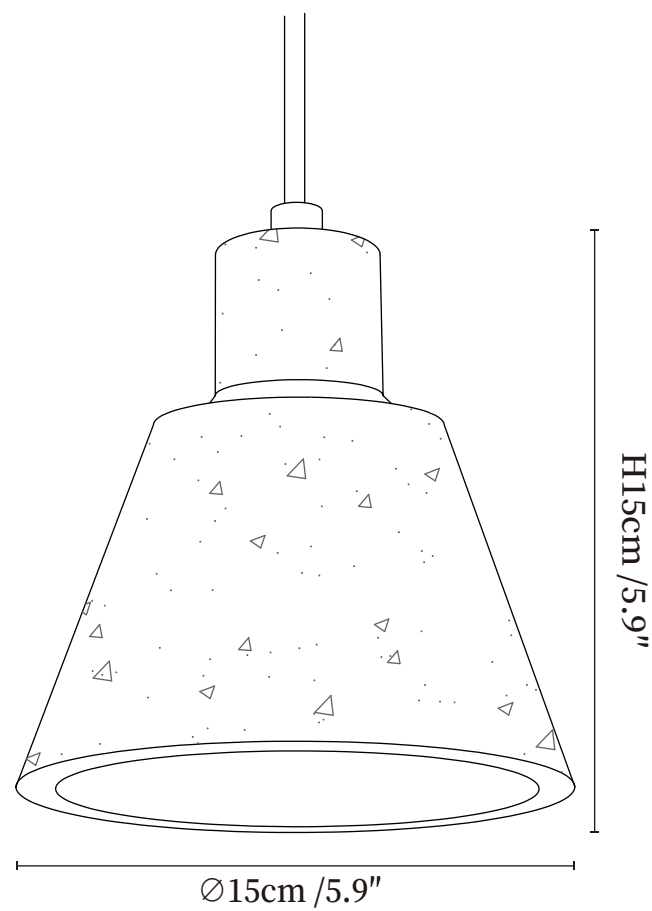

The FormaTerra Trio is a sculptural pendant light set that reimagines industrial form through a natural lens. Each of the three pendants features a distinct geometric silhouette—cylindrical, conical, and disc-like—crafted from textured travertine stone. The pale, porous surface of the stone offers organic contrast to the clean, architectural shapes, while warm walnut wood collars add depth and warmth to the design. Suspended by minimalist black cords, this trio brings quiet elegance and material honesty to modern interiors. Ideal over kitchen islands, dining spaces, or creative studios, the FormaTerra Trio blends craftsmanship and contemporary simplicity with timeless appeal.
