

Genesis Travertine Wall Lamp

SPECIFICATION SHEET

DESCRIPTION

Discover the profound beauty of primordial beginnings with the Genesis Travertine Wall Lamp. This captivating fixture centers around a pure, off-white spherical form crafted from authentic travertine, its surface a tactile map of natural pores and unique geological textures. The sphere appears to emerge from, or be cradled within, a softly glowing, translucent outer shell. This outer light source casts an ethereal radiance that not only highlights the raw, ancient character of the travertine but also imbues the surrounding space with a warm, foundational glow. The Genesis Travertine Wall Lamp is more than just illumination; it's a sculptural ode to earth's origins, bringing a sense of grounded tranquility and sophisticated naturalism to any interior.
