

Gravitas Lumina Pendant Lamp

SPECIFICATION SHEET

DESCRIPTION

Commanding attention with its grounded elegance, the Gravitas Lumina Pendant redefines ambient lighting. This distinctive fixture features a cylindrical core crafted from a "black hole stone"-inspired material, boasting a rich, dark, and subtly textured finish that absorbs and reflects light in intriguing ways. Encircling its upper portion is a beautifully contrasting disc of warm, natural wood, providing an organic counterpoint to the rugged base. Suspended by a minimalist dark cord, the Gravitas Lumina casts a focused downward glow, perfect for intimate settings over dining tables, kitchen islands, or as a striking accent in modern interiors. It's a testament to the powerful allure found where raw, cosmic aesthetics meet earthy craftsmanship.
