

Kaelis Travertine Pendant Lamp

SPECIFICATION SHEET

DESCRIPTION

The Kaelis Pendant Lamp by Vakkerlight blends sculptural geometry with the warm, organic texture of travertine. Its cube-shaped stone frame features rounded openings on all sides, revealing a softly glowing orb suspended within. This interplay of solid and hollow, light and shadow, gives the Kaelis a distinctive architectural presence. Ideal for kitchen islands, dining spaces, or artistic corners, it adds a refined yet contemporary touch to any interior with its modern form and serene, ambient illumination.
