

Kryos Texture Pendant Lamp

SPECIFICATION SHEET

DESCRIPTION

The Kryos Texture Pendant Lamp stands out with its sculptural, double-cone silhouette and richly stratified surface, inspired by carved basalt and modern architectural rhythm. Its deep black, stone-like body is meticulously textured, creating dramatic shadows and a handcrafted feel, while the warm inner glow brings a soft contrast to its bold geometry. A walnut-tone accent at the top adds an organic touch, making the lamp ideal for kitchens, home bars, entryways, or any space craving an elevated, art-driven statement. Both modern and primal, the Kryos Pendant delivers presence and personality in a compact form.
