

Lanta Arc Stone Sconce

SPECIFICATION SHEET

DESCRIPTION

With the quiet strength of carved stone and the gentle curve of warm wood, the Vakkerlight Lanta Arc Stone Sconce reimagines the classic lantern through a modern, architectural lens. The travertine shade, rich in natural texture and earthy tone, is suspended by two graceful wooden arms, creating a sculptural silhouette that feels both grounded and refined. A soft, downward glow offers intimate illumination — perfect for bedside walls, reading corners, or hallways craving organic warmth. Lanta Arc is not just a source of light, but a tactile encounter with form, material, and timeless design — a signature piece from Vakkerlight.
