

Clear Sorrento Chandelier

SPECIFICATION SHEET

DESCRIPTION

At 120 cm / 47 inches across, the Clear Sorrento spreads in cascading tiers of faceted polyhedron glass — each piece individually bolted to a gold-finished steel frame. Clear glass refracts warm light from sockets nested inside the upper tiers, throwing a clean sparkle onto the ceiling and table without coloring the room. The fixture is wide rather than tall (45 cm drop, 30 cm chain), built for a dining table seating 8–10 or a formal entryway with a 9–11 ft ceiling. Part of a five-color Sorrento family — also available in Amber, Pink, Lilac, and Smoked Glass.

SPECIFICATION DETAILS
