SPECIFICATION SHEET

DESCRIPTION

The Cylinor Ceiling Lamp by Vakkerlight transforms natural travertine into a striking geometric sculpture. Its cube-shaped frame, carved with rounded openings on all sides, reveals a softly glowing orb suspended within—creating an interplay of solidity and light that feels both architectural and poetic. The warm illumination highlights the stone’s organic texture, making the Cylinor perfect for entryways, hallways, living rooms, or artistic modern interiors. With its bold form and serene glow, this ceiling lamp brings refined contemporary character to any space.
