

Dravina Glass Petals Pendant Lamp

SPECIFICATION SHEET

DESCRIPTION

Introducing the Dravina Pendant Lamp by noolight — a bold, sculptural lighting statement inspired by the untamed elegance of cascading petals and molten glass. Crafted from layers of hand-formed amber and ivory Murano-style glass, each curved element flows downward like flickering flames or falling feathers, creating a sense of organic movement and radiant drama.

With its tiered silhouette and warm, golden glow, Dravina commands attention in any setting — from high-ceilinged foyers to luxurious dining rooms. A symbol of noolight’s dedication to daring form and artisanal detail, the Dravina Pendant Lamp turns light into living art.
