

Flore Travertine Bud Ceiling Light

SPECIFICATION SHEET

DESCRIPTION

The Flore Travertine Bud Ceiling Light captures the quiet beauty of nature in bloom. Shaped like a delicate flower bud, its dome is carved from natural travertine stone, gently enveloping a glowing glass sphere that emits a soft, ambient light. A sculpted wood canopy — available in rich walnut or light oak — adds a warm, organic contrast to the stone’s earthy texture. Perfect for bedrooms, hallways, or cozy nooks, Flore brings a refined, botanical elegance to any interior.
