

Abacus Alabaster Wall Sconce

SPECIFICATION SHEET

DESCRIPTION

The Abacus Alabaster Wall Sconce pairs a single large round natural alabaster ball shade with a straight rod that rises at a diagonal from a round wall backplate. Below the mounting point, a second rod descends with three stacked decorative metal balls, echoing the shade above in a graduated column. The backplate includes an integrated pull-chain switch. The metal hardware is offered in three finishes: Brushed Brass, Brushed Nickel, and Matte Black.
