SPECIFICATION SHEET

DESCRIPTION

The Celeste Poise Sculpture Lamp by Noolight captures a quiet moment of reflection and elegance. A gracefully seated figure, finished in a rich deep-blue tone, gently lifts a glowing orb as if contemplating its light. The contrast between the luminous sphere and the sculptural form creates a refined, artistic presence, while the cylindrical marble base adds stability and sophistication. Blending modern artistry with soft ambient illumination, this piece brings a serene and contem-plative atmosphere to any interior space.
