

Frostveil Chandelier

SPECIFICATION SHEET

DESCRIPTION

The Frostveil Chandelier features cascading tiers of hand-formed glass tubes, each piece textured with natural striations that catch and soften the light. The layered silhouette creates a stunning waterfall effect—airy, sculptural, and quietly luxurious.

When illuminated, the glass glows with subtle depth, filling the room with a warm, diffused radiance. Its refined presence makes it a perfect centerpiece for dining rooms, living rooms, entryways, or high-ceiling spaces seeking an elegant statement.
