

Giraffe Royale Sculpture Floor Lamp

SPECIFICATION SHEET

DESCRIPTION

The Giraffe Floor Lamp blends playful imagination with refined luxury. Sculpted in a matte black finish, the giraffe’s elegant silhouette holds a vintage-inspired crystal pendant, creating a warm, sparkling glow that feels both whimsical and sophisticated.

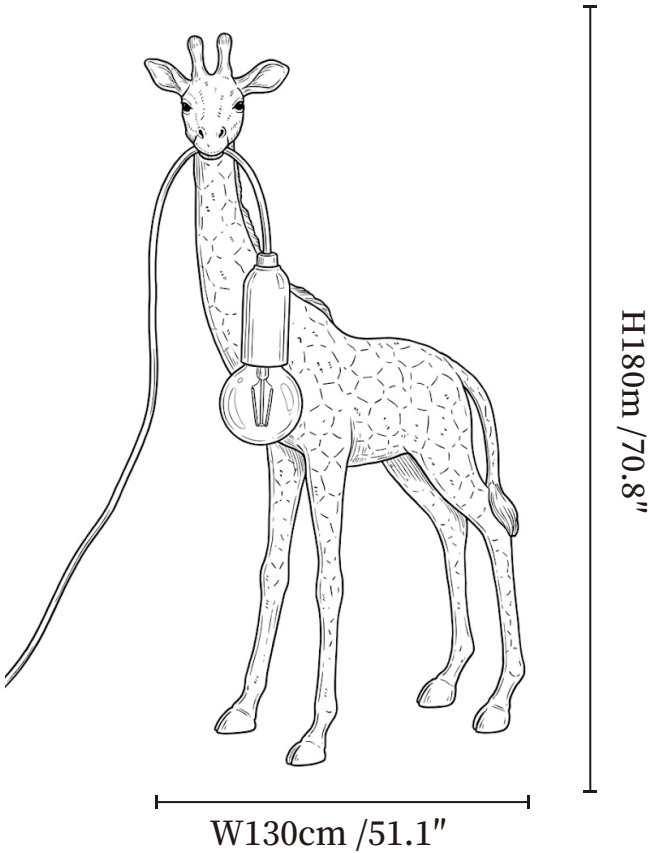

The contrast between the textured giraffe body and the delicate crystal shade makes this piece function as both a light and a sculptural décor object. It’s a charming statement for entryways, consoles, bedside tables, kids’ rooms with a taste for style, or any space that could use a little personality and soft ambient lighting.
