

Hare Silhouette Table Lamp

SPECIFICATION SHEET

DESCRIPTION

The Golden Hare Silhouette Table Lamp blends whimsy with sculptural elegance. Crafted in a warm gilded finish, the long-eared hare stands with a relaxed, almost poetic posture—half-hidden behind a crisp white lampshade as if pausing mid-thought. The result is a charming yet refined accent piece that brings personality without feeling childish.

The soft, ambient glow pairs beautifully with the lamp’s artistic form, making it perfect for living rooms, bedside tables, creative studios, or any space that appreciates décor with a sense of humor and sophistication. More than lighting—it’s a conversation starter and a collectible object of design.
