

Luna Reach Sculpture Floor Lamp

SPECIFICATION SHEET

DESCRIPTION

The Luna Reach Sculpture Floor Lamp by Noolight captures a moment of elegant motion, where a slender, elongated figure stretches upward to cradle a glowing orb. The matte black sculptural form contrasts beautifully with the soft, moon-like light, creating a poetic balance between strength and delicacy. Inspired by contemporary art and classical human form, this piece functions as both ambient lighting and a striking decorative statement—perfect for elevating modern interiors with a touch of artistic sophistication.
