

Noor Grande Sculptural Floor Lamp

SPECIFICATION SHEET

DESCRIPTION

An evolution of fluid design, the Noor Grande Floor Lamp by Noolight expands the sculptural elegance of the original Noor into a bold, floor-standing centerpiece. Towering with grace and confidence, its sinuous form rises like a living entity — organic, enigmatic, and impossible to ignore.

Finished in a rich, antiqued bronze, Noor Grande invites tactile interaction and visual contemplation. The softly curved head casts a downward glow, ideal for ambient lighting or dramatic statement-making in high-concept interiors. This is not just a lamp — it’s functional sculpture.
