

# Orbit Explorer Floor Lamp

---

SPECIFICATION SHEET

DESCRIPTION

The Orbit Explorer Floor Lamp by Noolight blends playful design with a polished, futuristic aesthetic. Featuring a chrome-finished astronaut figure with warm rose-gold accents, this piece stands out as both a decorative sculpture and a functional light. The character holds a glowing orb atop a slender rod, creating a soft ambient illumination, while the helmet’s circular detail adds a subtle sci-fi glow effect. Perfect for desktops, shelves, or modern interiors, this lamp brings a sense of curiosity, imagination, and contemporary style to any space.
