

Sculpted Peak Floor Lamp

SPECIFICATION SHEET

DESCRIPTION

The Sculpted Peak Floor Lamp by Noolight is a bold fusion of organic texture and refined lighting design. Its tall, tapering base features a richly contoured surface that mimics hand-shaped metal or carved stone, creating a dramatic vertical presence. Topped with a classic fabric shade, it balances raw artistry with soft, ambient illumination. This striking contrast makes it an ideal statement piece, bringing depth, warmth, and sculptural character to sophisticated interiors.
