

Stride Figure Floor Lamp

SPECIFICATION SHEET

DESCRIPTION

The Stride Figure Floor Lamp by Noolight transforms lighting into a dynamic work of art. Sculpted in the form of a slender, elongated human figure mid-stride, this piece blends expressive movement with modern illumination. The integrated vertical light bar acts as both a functional light source and a visual counterbalance, casting a soft, ambient glow. With its matte black finish and fluid silhouette, this lamp adds a bold, gallery-like presence to contemporary interiors, making it ideal for statement corners, studios, or design-forward living spaces.
