

Terra Lume Orb Wall Lamp

SPECIFICATION SHEET

DESCRIPTION

An artistic and refined wall fixture by Noolight, the Terra Lume features a perfectly polished circular face of natural, beige-toned stone with a naturally porous texture. At its core, a luminous, frosted globe emits a soft, uniform light, creating a stark yet harmonious contrast between the ancient beauty of the stone and the modern simplicity of the orb. This unique sconce offers a serene, organic accent, enriching sophisticated interiors with its elemental design and warm ambient glow.
