

Vellum Floor Lamp

SPECIFICATION SHEET

DESCRIPTION

The Vellum Floor Lamp by Noolight is a quiet triumph of material and form — a luminous sculpture wrapped in warmth and organic simplicity. Its asymmetrical silhouette leans gently forward, resembling a softened monolith caught mid-gesture. The tactile surface, resembling parchment or handmade vellum, emits a golden, diffuse glow that radiates comfort and calm.

With no harsh lines or industrial coldness, this piece invites intimacy. It blends effortlessly into contemplative interiors, creative studios, or serene bedrooms — anywhere subtlety and mood take priority over statement.
